Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

In looking over the schedule I see the Eagles are scheduled with Phila Thursday, June 15th and Saturday, June 17th, if this is correct, will you try and get us in Camden or Chester or somewhere in that vicinity on the 16th. We are in Baltimore the following day, so would like to stay around instead of making the trip back to Newark if possible.

Your letter asking me to send my scores to Chester Washington by Western Union, is Chester going to pay for the wires, if not, I have no intentions of wiring the results to the Pittsburgh Courier. I am so sick of catering to the Courier in preference to all the other Papers I don't know what to do. I don't understand why we wont devise some plan and carry it out by which all the Papers can have the news.

I am sending you pictures of Pitchers Hill and Brown, which Abe said you wanted for the cards at Yankee Stadium July 2nd.

I have a letter from Posey, asking about his salary. I have not sent his salary because none of the Teams have sent their dues for the month of May, the only money in the Treasury was Toledo's franchise money.

Abe says he believes the Toledo situation is straightened out now, is it?

You sent out a letter telling Teams to wire results of their Sunday games here to this office, not one wire was received, evidently they are not very enthusiastic about that plan. Do you think you should send another letter again urging the Members to do this.

Yours very truly,
